

Updating your credit card info

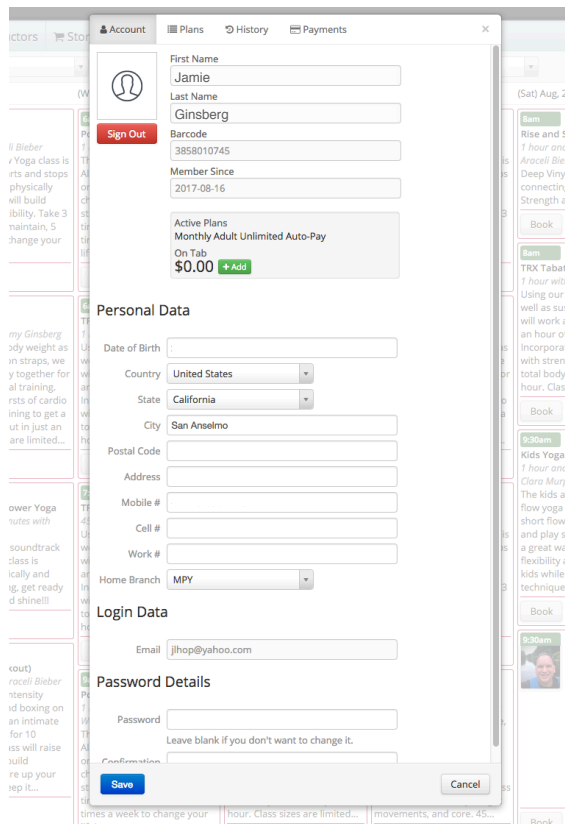

After you've logged in and changed your password, here's how to add your credit card.

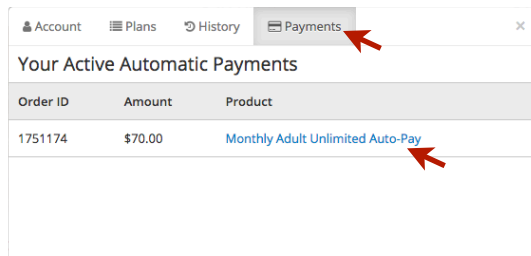

1. Click on the “Account” button in the upper right hand corner.

2. Add your telephone numbers and birthday if you want.

3. Click on “Payments”, then click on the Product link - in this example “Monthly Adult Unlimited Auto-Pay”.

4. Enter your card details and click **“Update”**

The screenshot shows a web application window with a navigation bar at the top containing 'Account', 'Plans', 'History', and 'Payments'. The main content area is titled 'Update Your Credit Card' and contains the following fields and options:

- Card Number:** A text input field with a placeholder and a note: '16 digit card number without any dashes or spaces.'
- Expiry Date:** Two dropdown menus, the first showing '8 - August' and the second showing '2017'.
- Card Type:** Three radio button options: 'Visa', 'MasterCard', and 'American Express'.
- Security Code:** A text input field with a note: 'This is the 3 to 4 digit number on the back of your card.'
- First Name:** A text input field with a note: 'Your first name as it appears on the card.'
- Last Name:** A text input field with a note: 'Your last name as it appears on the card.'

At the bottom of the form, there are two buttons: a blue 'Update' button and a grey 'Cancel' button.

You're done.

The screenshot shows the same web application window as above, but with a green confirmation message box in the center. The message reads: 'Credit card details for order #1751174 were updated successfully.'
